Dear Patricia,

As your summer employment in FBIS draws to a close, I want to extend our gratitude for your most welcomed assistance.

I have been informed that your work assignments, including typing and correcting, were done in a very cooperative and proficient manner. As you must realize by now, you played an important part in helping to produce a widely read and highly respected publication.

We hope this tour with FBIS has been interesting and pleasant and has enhanced your work experience. We wish you the very best as you continue your studies at Old Dominion University.

Sincerely,

Deputy Director
